### TO PARENTS AND GUARDIANS OF STUDENTS IN OUR LADY OF GRACE SCHOOL

Dear Parent or Guardian

Our Lady of Grace School, along with all Catholic, independent and government schools in Australia, is asking you to provide information on the following:

- the sex of your child;
- the country of birth of your child;
- the indigenous status of your child;
- your occupation and educational qualifications (in very broad terms); and
- the main languages spoken at home by yourself and your child.

Our Lady of Grace School is required to collect this information on behalf of the Australian Curriculum and Reporting Authority (ACARA). The student background information is incorporated into the Socio Educational Advantage (SEA) model which contributes to school funding.

Parents and guardians will already have provided this information when your child enrolled at Our Lady of Grace School. If there have been any changes to your situation, please complete the attached form and return this to the school.

All results will be reported in terms of the total number of students in various ranges and categories. No personal information will be reported and as a consequence no individual or individual school will be identifiable in the analysis.

Parents and guardians can discuss issues relating to the collection of this information with the Principal. More information on the collection of student background data is available at: <https://www.acara.edu.au/reporting/data-standards-manual-student-background-characteristics>.

Yours sincerely

Gabrielle M Doyle  
Principal
