THANK YOU FOR YOUR SUPPORT

**OUR LADY OF GRACE
2020 REACHOUT PROGRAM**

The Our Lady of Grace Reachout Program operates with the support of the P&F. Volunteers serve the people of our school community. Reachout provides **short-term emergency help** to members of our school community. In the event meals provided are not required within the school community, they will be offered to people in need within the wider OLG community.

If you wish to assist this program in 2020, please fill out the commitment sheet section and return it to the school office. You will then be added to the Reachout meal roster and/or contacted should further help be required. Please fill out the sheet even if you have previously volunteered your help.

Please retain this section with the list of names and phone numbers of committee members for your reference.

Thank you, The Reachout Committee.
